

# FORMING THE COMMUNITY OF THE FUTURE

## Public consultation

Oxford North promises to be the most exciting development in Oxford's recent history.

As the city's new district, it will be a thriving and vibrant business community with innovation and sustainability at its heart.

It will unlock previously inaccessible land to residents, visitors and people passing through, transforming the area by introducing tree-lined city streets and a mix of workspaces, homes, shops, leisure, arts and culture, and open green spaces for everyone to enjoy.

Your views and feedback from the earlier rounds of consultation have informed the development of the emerging masterplan.

Make the most of your chance to contribute to the plans by visiting us at our two public consultation events in July.

**OXFORD  
NORTH**

## When & where?

**Monday 2nd July - 3pm to 7pm**  
Assembly Room, Town Hall,  
St Aldates, Oxford, OX1 1BX
