For wider access and to understand the approach to the site from further afield please refer to maps 01 and 02 on the following pages.

Please note that Oxford North is currently a construction site and so there is no public access.

Visitors are by invitation only and will be required to follow the necessary Health & Safety and security measures.

Access is via Gate 1, A40/Witney Road.

From Wolvercote roundabout, go west on the A40 and please turn right into Thomas White Street and security will greet you.

From Witney, go under the A34 and turn left into Thomas White Street and security will greet you.

Visitors & Service Partners will be greeted by our main contractor's Gateperson, where they will be directed to drive along Thomas White Street and park in the existing Red Shed marketing suite car park.

Pedestrians will again enter from the A40 entrance, be greeted by our gateperson and instructed to use the Thomas White Street footpath and walk along to the Red Shed marketing suite.

Please note that this route is a green route and does not require the wearing of construction workplace PPE.
